

Earth Citizens Meditation Series Donation/Registration

Each month on the first Sunday at 10am Central, we will gather for an online Earth-based meditation. We will take you to a place of power in Nature where human control is lessened, and there we will dive deeply into the vast resources of the sacred web.

Our first Earth Citizens Meditation is May 5th at 10:00am Central.

Registration is through donation of \$99 for the full 12-month series or \$12 per month. You may register by mail by completing this form and sending you donation along with the form to:
